WHA WHAT IN THE HELL
WHO IS THIS KID!?
ペたん
IS SHE A MONSTER?

HEY GUYS
I KNOW THAT MION SAID SHE'LL FINISH THE JOB HERSELF
BUT IS IT REALLY OKAY FOR US TO JUST SIT BACK AND RELAX IN AN OUTDOOR BATH?
WHAT'S WRONG WITH THAT?
BETTER TO HAVE ONE PERSON TO DO ALL THE WORK FOR US RIGHT?
THAT'S NOT WHAT I MEANT I MEAN, ISN'T SHE STILL JUST A KID
OH, YOU HAVEN'T HEARD? SHE MAY LOOK YOUNGER, BUT SHE'S NOT THAT DIFFERENT FROM US, YOU KNOW?
SAY WHAT !?

Yes, I win
That means... We're at the same age...?
ぐにゅ
ぎゅーん
That's enough, Renka
It's really sad to see you making a competition out of everything
SHUT THE FUCK UP, BITCH!!! NO ONE ASKED YOU FOR YOUR OPINION ON WHAT YOU'RE LOOKING AT!!!
You know her?
Yes, although only from rumours
Either way
If it's her she's more than enough to handle this mission

Nagarekawa Mion
She is the next inheritor of the Nagarekawa family
Their Water Style Jutsu has been passed on from generation to generation
She exhibited the power of water style since the day she was born
At a very young age, she has been cultivated with a prodigy's education on how to harness her abilities
By the time she's seven years old, there was no one else who can rival her mastery in water style jutsu
She doesn't talk much and rarely makes facial expressions
Behind her adorable appearance lies an overwhelming combat prowess that can easily finish off any kind of missions
She's given the codename The Demon's Water Doll
That's how terrifying she can be

Of course, not even Botan and her group can deal with her either
ゴクリ
Are you for real
Yup, and we don't stand a chance against her even if we team up together
And yet
For all of the education she received as a child prodigy,
She's still a sheltered little girl
Can we win against her?
Who knows? That's just an example
ひぇぇ〜!!
バッ
バッ
She has no idea how the real world works nor does she understand how society functions
If she were to suddenly thrust herself in an unknown world...

ブチッ
YOINK
PHEW...
THAT'S EVERYTHING DONE FOR THE FLOWERBED

ビチャボボボッ
In this school
There lies a traitor... Hinamori Botan
...no... There's also the assassination target... Mikado Shiiji
The fire style user... She shouldn't be here
This school is such a large place
Perhaps if I heard more on Karen's report that would be ideal
But I don't know what Mikado Shiiji looks like
Hinamori Botan... I recognize her since she used to live with Master
キュ
But...
Just talking to people...
.....It's difficult

グラ。

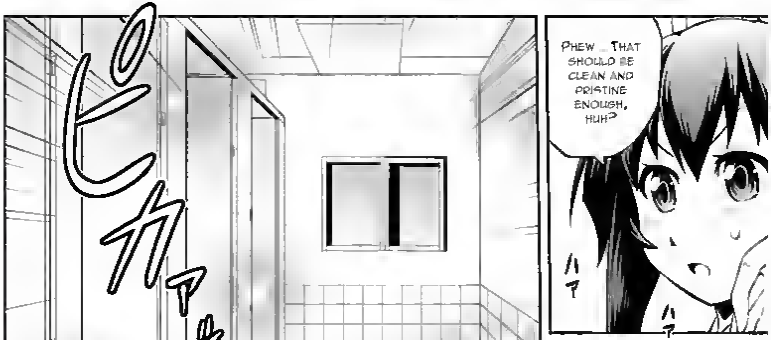
FATHER SAID... ALL MEN ARE BARBARIC AND DANGEROUS CREATURES

INSTEAD...
BUT... IT DOESN'T FEEL THAT WAY
ぷい

He is such a gentle person...
That's how I feel...

Hup!!
Hoo rah!!



Phew... That should be clean and pristine enough, huh?

I must hurry back to Shiiji-sama so I can assist him further
ふぅむ
But I need to finish the job assigned to me by sensei
ちゃぴっ

Say, what are you planning to do with that much water?
Eh!?
Um... About that...
I... Use it... To drink...

Really!? You're going to drink all that water?
Isn't it bad for you if you drink too much water all of the sudden?
But... I need to drink water!!

Eh... What!?
Come on follow me
W Wait for me!!
Shiiuji Sama!!

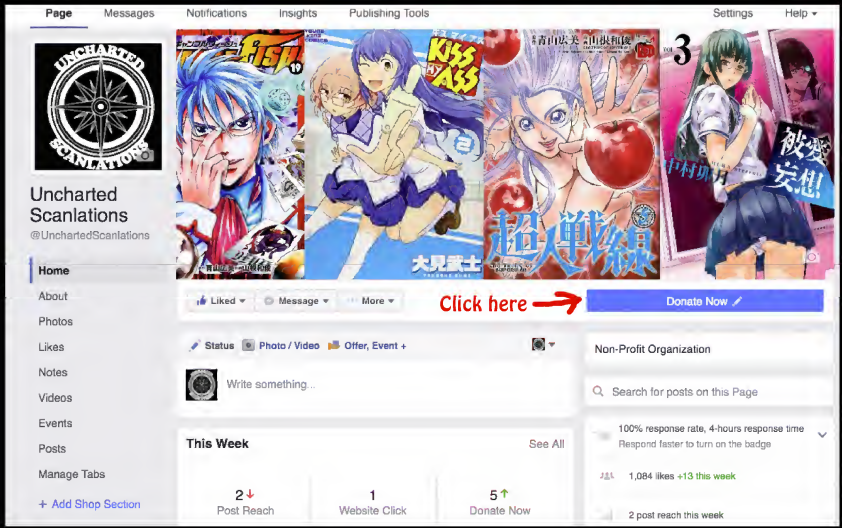
WE NEED MORE REDRAWERS AND SCANLATORS!!!

Sorry, but I just couldn't resist inserting my comments here and there. Yet being back to school hasn't been kind to my financial budget ($700 in debt and rising...) Don't get me wrong, but I'll need a second job in order to pay my bills. Don't worry, this monthly series is still ongoing, just a tad bit... slower...

But the good news is that one of my projects (Choujin Sensen) is finishing up soon, and I'll announce what series is next later. Stay tuned, fellow readers!

ATTENTION TO ALL READERS



Since Patreon hasn't been working out well for me, I decide that it's time that I switch to Paypal donations to support the scanlation series. It's great to have free content to read online, but unfortunately, most of what I do cost money. Sometimes, not even my job can cover the expenses in finding new chapters to scan and edit.

>
> They look like 16+ but their mental age is somewhere along 5 or so. Actually I'm not even sure 5 year old girls are this stupid

they are ninja raised in mountain all they got is combat training all the day they don't have the ninja bedroom assasination training too young to learn this.
